Car Show Officials will make final determinations regarding those entries that come into question. If uncertain of your class, call prior to submitting your entry. ***** In the event of a tie for long distance, computer map program will determine the winner.

ENTRIES MUST BE STREET LICENSED.

NO OPEN EXHAUST. NO BREAKING TRACTION.

ATTENTION: RESTO ROD OWNERS

We felt a need for a third class of cars; one that fit between stock and the ever encompassing modified classifications. A designated class for those vehicles that appear in stock form but have a more modern drive train and added vehicle safety features. A class of vehicle that we refer to as "resto rod".

To qualify a vehicle in the resto rod class the following must be adhered to:

- 1-Pre 1954 American made vehicles only.
- 2-No body modifications.
- 3-All side moldings, hood ornament, door handles, grill and bumpers to be present and in original form.
- 4-Steel rims only - chrome and wire allowed.
- 5-All tires to be of equal size.
- 6-Single and two stage paint permitted. No three stage or multi-changing colors.
- 7-No bucket seats or center console allowed unless originally furnished in production in the year of the vehicle registered for the Fabulous Flashback show.
- 8-No flames, custom graphics or scallops (style striping).
- 9-Vehicle must have original dash with either stock or after market gauges installed. No billet or aluminum gauge clusters permitted.
- 10-No engine parts visible with hood closed. When applicable, side panels must be installed as originally intended.
- 11-No restrictions to power train, suspension or chassis.
- 12-Vehicle does not have to maintain original stance. (Slight modification).
- 13-Vehicle classifications are broken down into two year groups: All to 1940 and 1941 to, and including, 1954.
- 14- Pickups are excluded at this time.
