## P R E S I D E N T ' S   S P I T   &   S P U T T E R

Last night, Wed. May 26th, Bob Bender and I attended the Senior Awards Night at Ukiah High School. The time and effort were well worth the effort and rewarded 100 times over when I saw the expression of surprise and pure joy on Ryan Corpuz's face as Bob announced his name. Flo's input at Tuesday night's club meeting, that he is truly a remarkable young man, worthy of the Club's 2010 scholarship, was right on. In addition to the scholarship he has

**President Michael Golick**

been given a complimentary one year membership to Early Iron. I hope to introduce him to the club during the June meeting. He plans to attend Mendocino College and major in Automotive Technology.

As an aside he may be the first member of an Early Iron Junior Auxiliary.

**Ryan Corpuz  
2010  
Scholarship Winner!  
Awarded by  
President Mike Golick  
and Bob Bender**

## 2010 Fabulous Flashback Car Show Update from Tom & Donna

As of 5/25/10 we have 101 registered cars signed up for the show, a little behind from last year.

We are also behind on trophy sponsors but it is still early. Hopefully things will pick up the month of June. We also have two new major sponsors and we welcome them on board: Mendo Lake Credit Union and BeBops. These two companies will be added to the State St. banner and will get all the advertising due all our major

sponsors. The show plans in general are moving along fine and we are still looking forward to another great show. Pre-orders on sweatshirts are now being taken, we will be offering this year a 1/4 zipper front for \$30 and the regular sweatshirts at \$25. Shirt color is black. Contact Flo Passof to order. 462-8588

## FROM THE GLOVEBOX

GET OUT YOUR MAPS THE CLUB IS ON THE ROAD AGAIN.

### June

Activities around town.

No Friday night

Cruise-In's this month

**SITES & STORIES  
FROM THE BACK SEAT**

**OROVILLE CAR SHOW**

Well off we went, May 7th with Steve & Margie Fowler in their 35 Packard and Jim and I in our 63 T-Bird to Lincoln CA. We get to Ed & Julie McVey's in time for a lovely lunch. Then off to our motel for a nap!

They (Margie & Julie) fixed Jim and I a wonderful birthday dinner and party where we opened presents. Then back to the motel for a good nights sleep and up early for a 6 am rendezvous with some of the Lincoln Car enthusiasts.

We got to Oroville a little after 8 am! There were over 900 cars! Everything you could think of. It is a very nice show, this was our first time to attend. There was lots to see and do in downtown Oroville. A parade came by mid day. We had a great time, even though it was our last car show with Steve & Margie.

Joan Draper

**WILLITS CAR SHOW**

It was Memorial Day weekend and a wonderful time for a car show. The weather was sunny and warm, which was good to see after the rain all the previous week. As planned, Margie and I drove "Rosie" to Redwood Valley Cellars at 8 am, met up with Jerry Phillips, Bruce Masterson, Bob Bender, Rick Hartje and his sister-in-law Sandy Monta in her '68 Camaro convertible. We all parked together at the show, along with Mike and Shelly Bazzani and Al and Rochelle Bazzani, who were already

there. Mark Davis's Impala was there but no Mark. I think his son brought the car.

The city park in Willits is a great place for a car show. Green grass and lots of shade from the trees. A great breakfast—scrambled eggs, juice, ham, and hotcakes-- was provided by one of the service clubs. I would guess there were about 175 cars in the show. It was nice to see a lot of old friends and meet some new ones. A few current Early Iron members and some former members were also there but without their cars.

Early in the season it is always fun to look at all the cars to see what improvements were made over the winter and to see some cars on their first time out.

We did not win any trophies but I was lucky to win a flamed toilet seat autographed by the King Aragon as a door prize. Margie is overjoyed...

Summer is here. Get ready to rock and roll to the car shows.  
Bob and Marge Giuntoli

**MEMORIAL DAY PARADE**

The 2010 Memorial Day Parade stepped off at 10:30 a.m. under semi-sunny skies. Following the traditional color guard and mounted units came some fire trucks and a mobile bandstand with Ukiah High Band members filling the air with stirring patriotic tunes. A long string of classic cars finished out the mini-parade in fine style. Early Iron members included Tom & Donna Cropp, Chuck & Rose Warner, Pete & Flo Passof, Bob Bender, Lou Fortin, Mike & Conner Bazzani, Jerry & Louise Phillips, and Jose & Fabiola Ruiz, all decked out in their best red, white & blue for the occasion. Jim & Joan Draper had car battery problems at the last minute so were part of our "fan club" on the curbside. As always, the crowd, though small, was most appreciative, and the veterans whom we honor were more than pleased to have us participate! It's the least that we could do!! Thanks, Joan, for organizing our part in this community event.  
Louise Phillips

**GOOD BYE TO STEVE & MARGIE**

Well May 22nd dawned cold and rainy! BUT the party went on!

About 35 people gathered at the Draper home for a found farewell to Steve & Margie! We all wished them the best in all things.

They have truly been part of the backbone of our car club. They have done so much for all of us!

We all had plenty to eat. Jim manned the grill for hamburgers.

Tom Cropp manned the grill pan for hot dogs. Everyone brought the best food ever to go with the main course (we have some great cooks in this group!).

The money tree was a hit. Now Steve and Margie can get what they want for their new home in Payson AZ. (the money is going to help purchase a vintage replica of a water & air gas station lamp to sit out front of their new shop—

(see picture to the right).

Margie will still know what's going on, because she has volunteered to take over the newsletter again. Louise will be the gatherer of newsletter info. and Margie will put it together! What a pair!

We ill miss you guys so much! Happy Trails! Joan Draper

(editors note: Thanks to everyone for the generous gifts of \$\$!)

YOUR EDITORS -  
MILLE MIGLIA  
TEAM REPORT

After some years of a love-hate relationship that Louise has had with her computer, she is finally giving up. I'm going to take this project of the newsletter over again and do it long distance in hopes that it will help her with her sanity. She will be bugging you at meeting and with calls to make sure the info is in. To all of you who will be sending in your reports and / or stories to share, I ask that you get them into me as soon as the event is over or by the 25th of the month so I can get the newsletter out by the first of each month. As you can see I have made some major changes to the newsletter and will be expanding on it in the months to come. I had asked my husband Steve if he would be willing to do a page a month on just car stuff for you guys. Since he is no longer teaching and I know he will be missing it come mid-August, I thought a page of instruction would fill the void in his life and hopefully help each member with information you might need help with on your classic rides to keep them humming. If you do have a question you would like Steve to address for the newsletter please send us an e-mail. (See e-mail address to the right. )

Mille Miglia is a 1000 mile race in Italy and with us being 1000 miles away it just seemed an appropriate title. We look forward to seeing you at the Hamburger Ranch cruise in July. Happy Driving Until next month Margie Fowler
